MARKETPLACE PRODUCT PHOTOGRAPHY GUIDELINES

FILE SIZE: up to 20 MB
PIXELS: 2048 x 2048 pixels
FORMATS: PNG and JPEG
BACKGROUND: White

#eusouFreeDom **eE**user

What to do after you have taken all your photos following the guidelines?

- Save your images by product name.

IMPORTANT:

- Avoid files with the name "IMG448.png". Try to really describe the product. For example: "blackleather_bag.jpeg".
- But avoid very large names, ex: "blackleatherbagwithgolddetails.jpeg".
